

41 Lawnmowers

Billy Crockett

Find a good old neighborhood
A square block of the USA
Stake your claim, claim your space
Sink your roots and live your days

Build a fence, close it in
Raise a lawn and grow some kids
Make a name, name your friends
That's the American way to live

41 houses, only one street
41 yards, 82 trees
41 mowers all sitting in sheds
41 families in over their heads
And everybody's got their own everything

From the Bronx to Hollywood,
Montreal to Mexico
Fever grows... go for gold
Gain the world and lose your soul

Push and shove and don't look back
Absolute success attack
Insulate, cul-de-sac
Prove the universal fact

41 houses, only one street
41 yards with 82 trees
41 mowers all sitting in sheds
41 families in over their heads
41 neighbors with nothing to say
Building their lives the American way
And everybody's got their own everything

41 houses, only one street
41 yards, 82 trees
41 mowers all sitting in sheds
41 families in over their heads
41 tables for 41 meals
41 hundred automobiles
41 neighbors with nothing to say
Building their lives the American way
And everybody's got their own everything
